**11: AWARD**

Upon review and confirmation of meeting the M/WBE goal of 30% or more, the single most important evaluation criterion is low price, technically acceptable. The award will be made to the responsible and responsive Offeror complying with all the provisions of the RFQ/P, provided the offered price is reasonable and is in the best interest of Buyer. The Buyer reserves the right to reject the offer of an Offeror who has previously failed to perform properly or complete on time, contacts of similar nature, or the offer of an Offeror who, under investigation shows is not in position to perform the order.

All other terms and conditions remain the same.
